7851 Highway 97 offers a rare blend of rustic charm and modern functionality. Formerly a retail country store, this 5,594 SF building combines small-town character with the flexibility needed for retail, service commercial, or showroom-based businesses seeking strong exposure along Highway 97.

*From an investment standpoint, the property reflects an estimated $1,500,000 value based on a 6% capitalization rate which reflects market rents supported by a recent appraisal. This does not account for the leasability of the additional covered area and unpaved yard space. This presents a compelling opportunity for investors or owner-occupiers seeking long-term holding potential along a primary commercial corridor.

The building features a 4,024 SF open main floor, 1,570 SF mezzanine, and 2,360 SF covered area ideal for storage or display. Situated on 0.7 acres with 26 surface parking stalls and C-2 zoning, the site supports a wide range of commercial uses in a high-visibility Vernon location.
